

Single-circuit connector, ZJU-240 type: for 240 mm² wires 800V

FEATURES & BENEFITS

reliability of electric and mechanical connection

metal elements of connectors made of copper alloy

enclosure insulation made of halogen-free polyamide, UL 94 V0

can be mounted on TSE 32 and TSE 35 rails

CE

CERTIFICATES & STANDARDS

IP degree of protection	IP20
Flammability class	UL 94 V0
Standards	EN 60947-7-1
